**Description**

We're in need of a virtual assistant to help us with an upcoming event planning project. Your responsibilities will include coordinating with vendors, managing guest lists, sending out invitations, and handling various administrative tasks. The project is expected to last for two weeks, during which you'll need to be highly organized, detail-oriented, and proficient in communication. Experience in event planning and strong multitasking skills are a plus. If you're ready to take on a short-term challenge and ensure the event's success, we'd love to have you on our team!
